## February 2023

### Pastor's Message

January has ended, winter is hesitant and we have transitioned into another month the Lord has made and given to us free and unmerited. As we look around, let us continue to move forward, anticipate more snow, as we can share and receive **love**.

This month, February, known as **love** month, we will be celebrating "Ash Wednesday" as we travel the Lenten journey. Lent is the forty days (excluding Sundays) from Ash Wednesday to *Resurrection (Easter) Sunday*. And though it has been a season of self-reflection, self-discipline, and penitence, we can all find a spirit of **love** and springtime in all of life's gloom and sadness.

As the springtime brings flowers, we can all bring some **love** to humanity. As we share love, we might want to reflect on how it looks and feels when light shines into our bedrooms in the morning, when we see fresh flowers and smell and taste a fresh cup of coffee or tea.

When Lent begins, our lives do not end. We will begin the journey with deeper faith and excitement in what the Bible teaches and for what is ahead. We will continue to live out our faith in light of springtime joy, we can experience **love** and let peace prevail in our lives, our churches, our communities, this nation and the world. Especially this month that is recognized as '*Black History Month*.' We will also remember lives lost and celebrate lives still present.

Most of all let us be open, be prayerful, and be grateful for the transformation that God will do with and among us. Let us engage in worship, Bible studies, outreach, and service as we travel to Easter Sunday and beyond; especially with all the love we can give and receive.

May you always love and feel loved beyond Valentine's Day!  
+Pastor Alecia

#### **Lent 2023**

Lent, a period of 40 days of reflection between Ash Wednesday and Easter Sunday, This time offers Christians an opportunity to renew their commitment to being more Christ-like and present with each other. As we remain present, the continuous challenge for us, as Christians can be formed in two questions:

-What are we prepared to give up, to remain closer to God? What are we willing to give to embrace God's love and love each other?

*As we think about these questions, the first Sunday in Lent is February 26. Bring something you are willing to give up throughout Lent. Leave it on the altar and it will remain in place each week as we give up something on the altar until after the season of Lent. Then, these items will be given*

*away on Good Friday to someone or an organization that might need them.*

### *Food for Thought:*

*Remember* that we are all disciples of Jesus Christ and we can be good and do all the good we can. Therefore, if you want to feel like Paul, write letters, send cards or text a sibling to connect and strengthen relationship. Yes! Be the Good Samaritan and do good no matter what.

#### **Black History Month:**

This month, February is "Black History Month. As we celebrate and remember, we at Fisk UMC continue the work of Jesus Christ for peace, justice, and equality with love for humanity. Most of all, we are trying to do all the good we can, to all persons and at all times.

### *Help Wanted:*

**Fisk is looking for someone to take on our (paid) janitorial work.** Four hours per week on Fridays. If you or someone you know might be interested - please contact the Trustees or the Office for more

information. Alternatively - if you could recommend a house cleaner that works in our area, please pass that information along, too.

### *Time for Reflection:*

**February is "Black History Month"**. The month is dedicated as Black History Month in the United States. This began as a grassroots effort of African-American historian Carter G. Woodson and it has grown into a national time to honor the **triumphs** and **struggles** of African Americans.

- This month, we remember incidents; the 1919 Chicago race riot, the 1955 Montgomery Bus Boycott, the 1963 March on Washington, the 1965 Voting Rights Act, the 1968 Civil Rights Act, and the bloody Sunday of March 7, 1965 and others that shocked millions of Americans and galvanized Congress. We pray for *all persons* who have struggled, and continue to struggle after violence and disasters.

- This month we remember **some men** like Rev. Dr. Martin Luther King, Jr, Booker T. Washington, Frederick Douglass, George Washington Carver, Thurgood Marshall to name a few. We pray for *all persons* who have struggled, and continue to struggle for the basic things of life; food, clothing, shelter and healthcare.

- This month we remember **some women**; Rosa Parks, Harriet Tubman, Mahalia Jackson, Sojourner Truth, to name a few. We pray for *all women* everywhere who have struggled, and continue to struggle for real love, freedom, respect, and equality.

- This month we remember **some children**; Emmett Till, children of Birmingham, student volunteers who traveled to Mississippi, Phil Hutchings, Joan Traupauer, Clara Luper, Michael Thelwell, Little Rock Nine, to name a few. We pray for *all children* who have struggled, and continue to struggle to be love, accepted, provided for and protected.

## *United Women in Faith*

United  
Women  
in Faith

There's HOLY GRAFFITI on the walls at Fisk!

At our January meeting, women of Fisk celebrated Epiphany with kings cake and graffiti! While most of us are taught not to write on walls, there is an Epiphany practice, celebrated by the Methodist Church as well as other denominations, that invites Christ's blessing through chalking the space.

"CHALKING THE DOOR" with the first letters of Christus Mansionem Benedicat (Latin for "May Christ Bless this House") is an ancient practice of the church in the New Year. We invite Jesus to be a "guest" in our home, a guide for troubled times, and a blessing in times of thanksgiving. While it is usually written over the front door, it can be used inside or outside as you wish.

You'll see 20+C+M+B+23 in chalk in many places in our church. It represents the year and the Latin phrase above. Some also use the initials to represent the three kings visiting Jesus. Along with the chalking, the following blessing was read:

Visit, O blessed Lord, this home with the gladness of your presence. Bless all who live or visit here with the gift of your love; and grant that we may manifest your love to each other and to all whose lives we touch. May we be blessed with health, kindness of heart and gentleness. May we grow in grace and in the knowledge and love of you. Guide, comfort and strengthen us in peace now and forever, Amen.

We invite you to chalk your home during this season of Epiphany knowing that the women of UWF are praying with you. Pieces of chalk that

have been blessed are available for you to use. Ask Debbie Friscino or Terry Ames if you would like some.

Please join the United Women in Faith

**Black History Month Program,  
February 7, 2023,  
at 4:00 pm for  
appetizers and drinks.**

Black History Month observed in February is an annual celebration of achievements by African Americans and a time for recognizing their central role in U.S. history. Also known as African American History Month, the event grew out of "Negro History Week," the brainchild of noted historian Carter G. Woodson and other prominent African Americans. The story of Black History Month begins in 1915 with the founding of the Association for the Study of Negro Life and History (ASNLH), an organization dedicated to researching and promoting achievements by Black Americans and other peoples of African descent. Since 1976, every U.S. president has officially designated the month of February as Black History Month.

United Women in Faith at Fisk UM Church mark Black History Month through programs for its unit meetings. This year the February 7, 2023, UWF meeting will bring to life the story of a historical Afro-American figure who worked as a free woman to make an impact on both the end of slavery and women suffrage. Fisk own Dr. Dorothy J. Phillips will lead the presentation. Join us either in person or virtually to learn about Sojourner Truth, her life as a slave, and then as a free, resilient women of the 19<sup>th</sup> Century.

## MISSIONS

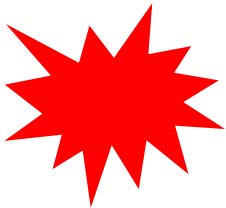

Our Fisk Missions Committee works to support, educate and become partners with groups and organizations working for similar goals while adhering to the GBGM goals...see below.

We feel we accomplished this and have received many Thank You letters for our support. These include: General Board of Global Ministries of the United Methodist Church, Family Promise, Justice for our Neighbors, Cooper Community Center, our missionary connections, UMEM (Maine) and so many others.

This month I am highlighting **Kayle and Mat Pelletier**. We met them through a UM pastor when they were still Graduate Students at Gordon College. They graduated, married, and made a commitment to begin their ministry in Zimbabwe.

Long story made short...they are still in Africa (16 years later) doing very important ministry. Four children, moving a few times - for various reasons...they are still doing important ministry in their church and at the Seminary School in South Africa.

One of their major supporters has changed directions and they are hoping some of the supporting churches (Fisk being one of those) will pick up the shortfall. So what do you think?

**If you would like to support the Pelletiers during 2023 just add any amount to your check and designate how much of that should go to support Kayle and Mat's mission work!** Check out

their Newsletter on our Fisk website. It is attached under MISSIONS.

The New England Conference Board of Global Ministries helps churches in our Conference connect and live out four mission goals of the General Board of Global Ministries (GBGM), which are to:

1. make disciples of Jesus Christ;
2. strengthen, develop, and renew Christian congregations and communities;
3. alleviate human suffering; and
4. seek justice, freedom, and peace.

## JUSTICE & OUTREACH

Black History Month is an annual celebration of **achievements** by African Americans and a time for recognizing their central role in U.S. history.

### **Touch-tone Telephones, Supercomputers, and Netcom**

Black inventors made many marks in the fields of computers, telephones, and the Internet. **Mark Dean**, a noted IBM engineer, led the design team for the ISA bus. He also spearheaded the color computer monitor and was a collaborator on the first gigahertz chip. This eventually allowed computers to connect to devices like printers, monitors, etc.

Similarly to other black women in history, **Shirley Jackson**, contributed multiple advances in her fields. Her work led to fiber optics, touch-tone telephones, caller id, call waiting, and even solar cells.

**Otis Boykin** invented the pacemaker and also worked with IBM computers. He invented more than 25 electronic devices including chemical air filters, burglar-proof cash registers, and electronic resistors that control missiles.

Lauded as telecommunications entrepreneur and pioneer, **Emmit McHenry** founded **Netcom Solutions**. Black inventors also gave us technological building blocks and devices we still use today. We are grateful for these contributions to our world.

## Finance Committee

### Fisk - 2022 Financial Results

We are pleased to report that our general fund financial results are as follows, and better than we planned. Our deficit is \$5,100, which is only one third of the original Plan. We were blessed with our own strong giving support. We collectively spent \$3,000 less than budgeted. We paid 100% of our conference Mission Shares. In summary, we were able to fully fund the many ministries of Fisk that touch so many people in so many ways.

	2022 Final	Budget 2022	Vs. Budget:	%
Support/Income	\$209,227	\$202,973	\$6,254	3%
Expenses	214,290	217,211	2,921	1%
Net (Deficit)	(5,064)	(14,238)	9,174	64%

Pledge support was off 3%, but was made up for with both unpledged and offering improvements. One gift for \$5,000 was the positive difference in our support in 2022. Our \$5,100 deficit reduced our \$41,000 of General Fund cash reserves down to \$36,000 as of December 31, 2022.

Our fall Stewardship Campaign was well supported, successfully increasing our pledge base by 4% over 2022 pledged, and 7% over 2022 actual. We plan to finish our 2023 Budget process in early February.

**Now and always, we are grateful for God's blessings and your stewardship giving.**

Members of Finance Committee, which includes representatives from other committees at Fisk:

Mike Bruns (Chair), Pastor Alecia, Dorothy Phillips (Lay Leader), Tom Currie (Chair-Admin Board), Jen Garrant (Treasurer), Crystal Mayo (Financial Secretary), Geoff DelSesto (Trustees), Michelle Drolet (SPRC), Dave Cail, and Thom Townsend.
