Relinquish is from Roanoke, VA. They first got their start back in July 2009. Since the beginning, their main purpose is to share the Gospel through their music. Relinquish has chosen to serve the Lord through the gifts that He has given them. Fortunately, the Lord has blessed the band immensely, and they have had the privilege to do just that! Ultimately, the band holds true to what they believe in most: "We want to strive to create music that makes a difference, for the sake of the Gospel, in a world that desperately needs change."
